Are your children registered in the St Lambert YouthChurch Religious Education Program? Yes \_\_\_\_\_ No \_\_\_\_\_ How many? \_\_\_\_\_

*Offertory Envelopes:* "Helping to provide for the material needs of the Church" is one of the Five Precepts of the Catholic Church. Placing of envelopes in the collection basket shows our children the importance of supporting the Church. We encourage you to continue giving envelopes during offertory, the only way we have to certify participation is by means of pre- printed envelopes. This means that whether the envelope is used for a contribution or not, it is very important that every family place an envelope in the collection on Sunday. If you are giving electronically, please check the "giving electronically" on the envelope before dropping them into the collection basket.
